News Letter

2021

From the Commander Paul Loumos

HELLO TO OUR LEGION FAMILY

OK everybody. We've had a few things going on since our last communication that I can let you know about. First let me thank every one who worked so hard to make our gun raffle a huge success! We sold all 3,000 tickets and made a great profit. I especially want to thank our Adjutant Scott Colburn for his dedication and hard work selling a ton of tickets. Without his help, I don't think we would've been nearly as successful. Great work Scott. Now we are working on selling our Christmas raffle tickets and we're off to a good start and hope we can do as well with that. We will definitely be able to accomplish all goals that we set to help veterans and support any community and scholarship needs this year.

We are also planning our annual Christmas party again this year. It will be held at the Wooden Nickel as usual and is schedules to start at 2:00 or 2:30 (1400 or 1430) for happy hour and food at about 3:30. The Post will be buying beer and soda while any alcoholic beverages are on your own. We will be bringing gifts (which are optional) with a limit of \$20.00 and everyone who brings will get a gift by selection of a card with your name on it. We may also do a 50-50 raffle. The meal this year will be the same as before, prime rib and chicken, potato, vegetable and a dessert. I hope you can make it.

Our flag burning ceremony didn't go on as expected but we made up for it when we began placement of our new flag pole. While we were digging and preparing the base for the pole, other members took care of the flag disposal. We now have a new flag pole flying our national flag and POW/MIA flags and all of our worn and tattered flags have been properly retired. Another thank you goes out to all who helped make these goals achieved.

Lastly I must sadly mention the passing of 2 of our long time members. Walter Langley and Darrell Kurth have passed away these last 2 months. The draping ceremony was performed and prayers go out for them and their families. I also wish to say to any of you who are ailing, our thoughts and prayers go out for you also for fast recoveries.

Up Coming Events

Winter Conferences will be held again at Ho Chunk in January. I will be attending.

Christmas party December 11, 2021

Christmas raffle to be drawn December 10, 2021 before our meeting

Post Meetings

Second Friday of Every Month, Meetings start Promptly at 7 PM.

Dec. meeting	10 th
