News Letter

2021

From the Commander Paul Loumos *HELLO TO OUR LEGION FAMILY*

I never thought I would ever have to say this, but I got nothing. This covid pandemic or whatever you call it has caused a lot of grief and cancellations this past year. We've never had such quiet times with no activities. Thank God we at least have had our meetings and I thank all our members who for showing up.

How many of you are aware that we have a web site? In case you didn't know it's www.americanlegionpost273.com There's information about who we are and what we are doing. You might find it interesting. The reason I bring this up is that we are considering discontinuation of the news letter and instead posting more on the web site. I would like feed back on this idea. Please contact me at 608-584-4716 or at ploumos@yahoo.com. If enough of you feel this is the way to go, that's what we'll do. By the way, when you go to the web site be sure to look for post 273 Grand Marsh, Wis., because you may see other posts with the same number represented there.

Coming up in May we will be nominating officers and performing our annual flag placement at our cemeteries after which we will be holding a flag retirement ceremony. I hope as many of you as possible can attend. It will be an interesting experience. At our June meeting we will be installing our newly elected officers after our elections.

Finally I wish all of you health and happiness in this year and in the future. Thank you for supporting our post and hopefully for your continuing support in the coming years.

Up Coming Events

May 14th Meeting; Election Nominations and Vote for Post Officers.

June 11th Meeting; Installing of our New Officers
